Supplemental Order re: Consolidation		

By Order issued April 19, 2024, this Court granted the unopposed Motion to Consolidate the instant action into 1983CV105. In subsequent filings, the parties have noted that the consolidation of the instant matter into 1983CV105 has not yet occurred.

C.R.C.P. 121, Section 1-8 provides, in pertinent part:

"A party seeking consolidation shall file a motion to consolidate in each case sought to be consolidated. The motion shall be determined by the court in the case first filed in accordance with Practice Standard § 1-15. If consolidation is ordered, all subsequent filings shall be in the case first filed and all previous filings related to the consolidated cases placed together under that case number, unless otherwise ordered by the court."

This Supplemental Order directs the parties to comply with Rule 121, Section 1-8 by filing a separate Motion to Consolidate in 1983CV105. Providing the Judge in that case enters the requested Order of Consolidation, then the instant case will be consolidated into 1983CV105.
