Heather Gardens Foundation Notes

August 14, 2024 Meeting

1. All five members of the committee were present.
2. Meeting was called to order at 1:00 pm
3. Eloise updated members as to her health, telling us she probably will not be needing surgery any time soon.
4. Approved report from regular meeting on May 8, 2024
5. Financial reports from May, June, and July, 2024 were reviewed. We presently have \$48,718.84 available to spend in our checking account. In addition, we have approximately \$150,000 in Treasury Bill and Notes.
6. Matt Martela attended our meeting and explained approximately where he will place trees using the \$5000.00 which the Foundation has allocated to him for this purpose. He thinks he will purchase no pines but is looking at ornamental Cleveland Pears which have small white flowers in Spring, giving off a lovely smell. These new trees will be planted probably in October as they will require less watering at that time. The Russian Olive trees are being removed a few at a time and, going forward, he will be planting more water-wise trees and shrubs than were planted in the past.
7. New Business
 - A. Eloise suggested the possibility of The Foundation Committee providing Lottery Funds oversight. It was the consensus of the Foundation Members that they would not be in favor.
 - B. We also discussed Combining Foundation categories. Consensus was obtained in the following areas:
 1. Beginning in January of 2025, we could eliminate the separate category for trees and combine it with "Community Enhancement," "General Use," "Roads and Grounds," "Landscaping," or another category that makes sense. However, it was unanimously decided that the money presently in the category labeled "trees" continue in that category until it is used up as the people who donated to that category anticipate our using that money for trees. We would be out of integrity with our donors to use it otherwise. If we change the categories, we will need to change the request for donations form, the application for funds form and the PMs.

2. It was moved and approved that the \$324.50 in the Roads and Grounds category, the \$425.70 in the Clubhouse category and the \$65.00 in the Golf category be moved into the general fund and that those three categories be eliminated.

3. Next month we will discuss what one or two categories might best represent our plans to consolidate our categories to give us the most flexibility to create the best community enhancement possible for our residents. We discussed the need to make a long-range plan for Foundation Committee Funds as the needs today are different than they were when the Foundation first began. In the beginning Heather Gardens was out on the prairie and trees/grass/plants were the biggest needs. Today, approaches to landscaping are changing. In this age of climate change, mandates from the City of Aurora to work towards "Water-Wise" landscaping, and the need to create a more efficient landscape, the Foundation must become forward-thinking. Our future decisions will require that we continue to enhance our community in even better and more efficient and potentially more beautiful ways than before.

C. At the September meeting, Matt will bring us options for upgrading and/or supplementing our lighting options for Christmas 2024 as well as considerations for 2025.

In addition, he would like us to consider another golf course landscaping project near the driving cage that could include shrubs, flowering plants and trees.

General Terms and Conditions

Term: This Agreement shall be in force from the date this Agreement is signed by Customer until all Work indicated herein is completed and paid for and all other terms of this Agreement have been satisfied, unless sooner terminated pursuant to this Agreement.

Work in Process: Projects or Work in the process of being installed are not complete and should not be expected to function as completed Work. Contractor does not guaranty that unfinished or Work in the process of being installed will function properly. Customer uses the unfinished system/Work at their own risk. Contractor is not responsible for any liability related to the Customer using the unfinished system/Work. If the unfinished system/Work stops functioning during non-business hours or on weekends, Contractor, at the request of the Customer, may dispatch a technician to troubleshoot the problem. A non-business hour or weekend service call is not covered by the Warranty herein and the Customer will be billed at the non-business hours/weekend service call hourly rate. This will be in addition to the Proposal price.

Other Contracts: Notwithstanding anything to the contrary herein, Contractor shall not be bound by any other agreement between Customer and a third party (e.g. a "prime contract" or similar agreement) unless Contractor has seen, had adequate time to review, acknowledged receipt of any such contract, and agreed to its terms by written signature on the contract, or any amendments thereto. Customer is obligated to ensure compliance with all of its contracts with other parties, and Contractor assumes no responsibility for such contract requirements. Any reference to any such ancillary contracts contained in a contract between Customer and a third party shall not be enforceable against Contractor unless Customer complies with this section.

Contract Documents; Conflicting Terms: This Agreement includes the Proposal, all general provisions, special provisions, specifications, drawings, addenda, change orders, written interpretations, and written orders for minor changes in Work. Work not covered by this Agreement will not be required unless it is required by reasonable inference as being necessary to produce the intended result. Specifically, the terms and conditions herein shall apply to the Proposal of the Work. The terms set forth herein shall be considered to govern any work performed for Customer to the extent that additional agreements do not address these general terms. In the event of a conflict of terms between this Agreement, any job agreement/purchase order, and/or specifications, this Agreement shall control.

Cure Period: If Contractor's Work is untimely, unsatisfactory, or otherwise deficient, then prior to hiring another contractor to 'cover' the Work, Customer agrees to state in writing the nature of Contractor's inadequacy and allow a period of at least thirty (30) days to cure, or longer if reasonably required to complete the inadequate work.

Delays: Contractor shall not be liable whatsoever for any delays caused by the Customer or by laborers or subcontractors not employed by or contracted with Contractor. Should Contractor be delayed in the completion (or commencement) of its work due to other parties' delay(s), then Contractor will be given extensions necessary to compensate for the time lost. The time for such extension shall be liberally construed in favor of Contractor. At the time Contractor commences its Work, it shall notify the Customer of the amount, if any, of delay caused by third parties. If Contractor is delayed at any time in the progress of the Work by Customer change orders, fire, labor disputes, acts of God or other causes beyond Contractor's control, the completion schedule for the Work or affected parts of the Work shall be extended by the same amount of the time caused by the delay.

Third Parties: Customer acknowledges that Contractor is authorized to purchase materials and services from third parties as necessary to fulfill Contractor's obligations hereunder, or to contract with third parties if a particular service requires permits or licenses from relevant governmental entities.

Liens: Contractor reserves the right to file preliminary notices and liens for non-payment to the fullest extent permitted by law.

Adequate Assurances: Contractor shall be entitled to adequate assurances from Customer that payments owed under this Agreement will be forthcoming. Absent such adequate assurances, or by failure of Customer to make a payment by the Payment Due Date, then Contractor shall be legally justified in ceasing all Work contemplated herein until Customer can make such assurances. Any delay associated with Customer's failure to give adequate assurances shall result in an extension, where applicable, for Contractor to complete its

Work Termination and Breach: Without Cause. The Parties acknowledge and agree that neither Party may terminate this Agreement without cause as each Party is relying on the representations of the other and will be planning and acting on such plans in accordance with this Agreement. Notwithstanding the above, this Agreement can be terminated by mutual agreement of the Parties. *With Cause.* Either Party may terminate this Agreement for cause, which cause is limited to: Non-payment; or Material breach of any term of this Agreement.

Incompatible Structures: Contractor reserves the right to cancel this Agreement if the site, structure, building, or property cannot accommodate the system/Work without excessive costs. In such an event, Contractor shall reimburse to Customer any payments made toward the system/Work that was not completed.

Method of Terminating: If a Party elects to terminate this Agreement for cause, the terminating Party shall send written notice to the other Party. Such notice shall contain a list of all reasons for termination, and shall demand that such reasons be cured within thirty (30) days or, if a cure is not possible in thirty (30) days, by a time in which a reasonable party could cure ("Cure Period"). An invoice sent by Contractor to Customer shall satisfy this requirement, meaning that Contractor may elect to terminate this Agreement if an invoice was sent stating the amounts owed and Customer does not pay such amounts within thirty (30) days. If the Cure Period has ended and the reasons for termination have not been cured, this Agreement shall terminate.

Contractor Services: Contractor shall supply the items necessary for its Work in a professional and workmanlike manner.

Survival of Obligations: If this Agreement is terminated for Customer's breach, Customer shall be obligated to pay Contractor for all of the Work performed through the date of termination.

Remedies: In the event of any default under this obligation, the non-defaulting party will be entitled to an award of the delinquent amount, **interest at the rate of 1.5% per month** (compounded monthly), all expenses, including a **25% collection charge** on the delinquent amount, reasonable attorney fees and court costs, incurred in obtaining redress. Payments for any delinquent balance(s) shall be applied first to costs of court, then to collection/attorney's fees, then interest and lastly to principal.

Title of Equipment: Contractor shall retain title to all equipment, materials, software, firmware and improvements covered by the Proposal until Contractor completes the installation of the Work and the balance Total Amount Due has been paid in full, whereupon such title shall transfer to Customer.

Insurance: Contractor shall purchase and maintain such insurance necessary to protect from claims under workers compensation and from any damage to the Customer's property resulting from the conduct of this Agreement.

Indemnity: Customer shall hold Contractor and its agents harmless and indemnify Contractor and its agents from any damages, claims, or liabilities, including attorney fees and costs arising in any manner from, or in any way related to, services or materials provided to the Customer by any third-party unrelated to Contractor including, but not limited to, any claims for personal injury, property damage, defective workmanship or construction, or claims for infringement of any patent rights or any intellectual property rights, except for matters that arise out of, pertain to, or relate to the active negligence or willful misconduct of Contractor, or its other agents, other servants, or other independent contractors who are responsible to Contractor, or for defects in design furnished by those persons, or to the extent the matters do not arise out of the scope of Work of the Customer pursuant to the applicable Work documents.

Liability: Contractor hereby disclaims any and all obligations owed by the Customer to any third party unless agreed to in a separate written agreement by both Parties. Unless set forth herein or specifically acknowledged in writing and in clear and conspicuous terms requiring the signature of Contractor, then Contractor shall have no liability whatsoever for liquidated damages associated with the Work. Notwithstanding the above, Contractor is only liable for any liquidated damages to the extent that Customer has actually incurred and paid such liquidated damages to another party and the delays giving rise to the liquidated damages are the legal and proximate result of Contractor's conduct. In addition, nothing herein shall be construed to alter the limitation of liability set forth herein.

Limitation of Liability: IN NO EVENT SHALL JELLYFISH BE LIABLE TO CUSTOMER, ITS EMPLOYEES, SUBCONTRACTORS, AND/OR AGENTS, OR ANY THIRD PARTY, FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES, OR LOST PROFITS FOR ANY CLAIM OR DEMAND OF ANY NATURE OR KIND, ARISING OUT OF ANY WAY RELATING TO THIS AGREEMENT OR THE WORK.

Waivers: Contractor agrees that, as applicable, it will execute and deliver lien waivers to Customer upon completion of the Work and payment of the balance of the Total Amount Due.

Indemnity from Subcontractors: Contractor will hold Customer harmless with respect to claims of Contractor's subcontractors and suppliers.

Relationship of Parties: In all aspects relating to this Agreement, both Parties are acting entirely independent from one another, and not as an agent of the other Party. The Parties shall be responsible for compliance with all laws, rules and regulations involving their respective employees or agents, including but not limited to, employment of labor, hours of labor, health and safety, working conditions and payment of wages, as well as payment and withholding of all taxes. Nothing in this Agreement is intended to give rise to a partnership or joint venture between the Parties or impose upon the Parties any of the duties or responsibilities of partners or joint venturers.

Other Work: Nothing herein shall guarantee that Contractor will perform any additional work for Customer other than the Work agreed to herein, and Customer acknowledges and agrees that Contractor may perform work for other parties, including competitors of Customer.

Notices: All notices concerning or relating to this Agreement shall be in writing and shall be given or made by means of electronic mail, certified or registered mail, express mail or other overnight delivery service, or hand delivery to the Customer at the address shown above, and to the Contractor at Attn: David Steed, 12896 Pony Express Rd Suite 300 Draper, Utah 84020.

Waiver: Failure by either Party to enforce any provision of this Agreement shall not constitute a waiver of such right, or affect the validity of this Agreement or any order relating thereto.

Severability: If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any law or public policy, all other terms of this Agreement shall nevertheless remain in full force and effect, so long as the economic or legal substance of the Agreement is not affected in any manner materially adverse to any Party.

Governing Law; Venue: This Agreement shall be governed and construed in accordance with the laws of the State of Utah without regard to conflict of law principles. All disputes arising out of or relating in any way to this Agreement or the Work shall be resolved by the appropriate State and Federal Courts located in the County of Salt Lake, Utah. Customer hereby expressly consents to the personal jurisdiction of the State and Federal courts of Utah and waives any objection it may now or hereafter have to the laying of venue of any such action brought in such courts arising from or related to this Agreement or the Work.

Acceptance of Terms: If Customer has received these terms and conditions in this Agreement and fails to sign this Agreement, but nonetheless prompts Contractor to begin Work, then such actions will be deemed to be Customer's acceptance of the terms in this Agreement.

Interpretation: All Parties have had the opportunity to have their own independent counsel review these terms and conditions, and these terms and conditions shall be construed fairly and equally as to all Parties as if drafted jointly by them. Any uncertainty or ambiguity shall not be interpreted against any Party.

Attorney's Fees: In the event it is necessary to use an attorney to collect any amounts owing under this Agreement, or to otherwise enforce any terms of this Agreement, the prevailing Party shall be entitled to recover and collect its reasonable attorney's fees and costs.

Liability Exclusions: Contractor shall have no liability for damage or injury to any of Customer's property unless it was the result of the reckless conduct of Contractor's employees or agents. Customer acknowledges that some parts or aspects of Customer area may be fragile and that despite reasonable care may be damaged in the process of the installation of the equipment and Contractor shall have no fault therefore.

Time of Completion: The Contractor agrees to install the Work in a commercially reasonable timeframe.

Invoicing Disputes: Customer agrees to notify Contractor, in writing, of any error in any invoice within three (3) business days after the delivery of the equipment. Customer's failure to notify Contractor shall be deemed acceptance of the equipment and charges as rendered and set forth in the invoice(s). If Customer fails to notify Contractor in writing of any disputed charge as outlined in this Section, Customer shall be deemed to have accepted all charges and shall waive its right to dispute any such charges in the future. In the event that Customer does not pay the contract sum as outlined herein, Customer agrees that Contractor may file a lien against the project site.

Access to Property: Customer agrees to provide safe and secure access to the project site during normal working hours and agrees to have the work area free of materials or stored items, and unchained animals. Customer hereby waives, releases, and agrees to indemnify Contractor and Contractor's agents and employees against any and all claims by Customer and third parties resulting from or related to the entry on the property incident to the fulfillment of this Agreement by Customer or Customer's relatives, guests, representatives, agents or invitees, including but not limited to any entry accompanied by Contractor for a scheduled inspection.

Payments Received: Customer agrees that all funds owed to Contractor, but received Customer, to the extent those funds result from the labor or materials supplied by Contractor, shall be held in trust for the benefit of Contractor. Customer agrees it has no interest in such funds held by any party. Customer agrees to promptly account for and pay to Contractor all such funds. Customer further irrevocably assigns to Contractor any rights Customer has to all such funds to the extent that sums are justly due to Contractor under this Agreement. All waivers executed by Contractor shall be effective only to the total dollar amount of payments actually received without any bankruptcy filing for ninety (90) days thereafter. Customer agrees that Contractor retains its mechanic's lien, payment bond or other legal rights for unpaid deliveries, regardless of what other waiver documents have been presented to Contractor for signature or restrictive endorsements on checks or any negotiable instruments that may imply otherwise.

Facsimile Signatures and Counterparts: This Agreement may be signed via facsimile or email and in one or more counterparts, each of which when executed shall be deemed an original, and all of which taken together shall constitute one and the same document. The Parties expressly agree that an affirmative email or electronic consent (e.g. "I agree", "Yes", "I approve", or "I accept") to the Proposal and this Agreement shall suffice for binding the Parties to the terms of this Agreement and pricing thereof.

Español: Si necesita este contrato en español, por favor notifique a su representante de ventas y una copia le será proporcionada antes de firmar.

Larger Print: To accommodate all Customers, Contractor will provide a copy of the Agreement and General Terms and Conditions in larger-sized text upon request.

Greg,

I've been working with our foundation here at Heather Gardens to come up with funds to have a lighting system like yours installed. Back in January of 2023, we had a bid done with an estimate of just under \$30k. At the time that was too much money, but now the foundation wants to step up and complete a project that has a big splash for the community.

I know the pricing will not be the same as it was nearly 2 years ago, I was wondering if it would be possible to either have a new estimate put together using new measurements or if the old measurements could be used to make a new estimate.

I have a meeting with the foundation next week, any update for them would be greatly appreciated.
